

CloudCandy

A little color. A little everyday joy.

Soft, cotton-candy-inspired colors meet playful details. Discover an original bag collection by CTX, made with fibers recycled from PET bottles.

Two styles. Your everyday expression.

Choose a Frill Handle bag for a playful touch, or a Simple Tote for a clean silhouette. A collection for retail assortments, thoughtful gifts and business gifting.

FRILL HANDLE / SIMPLE TOTE

Frill Handle

A playful finishing touch.

Gathered handles give this bag its distinctive character. A lustrous surface and a range of soft and deeper tones bring color to everyday outfits.

Color with character

Explore the gentle pink, light and dark tones shown here, alongside metallic-looking finishes. Tell us your preferred colors when you inquire.

Simple Tote

Clean lines. Expressive color.

Flat handles and a simple silhouette let the color and sheen stand out. A CloudCandy label adds a distinctive detail to this everyday tote.

Find your color story

From bright yellow and black to white and gray, the collection offers different moods for your assortment or gifting concept.

Bring CloudCandy to your customers.

We welcome inquiries from retailers, boutiques, distributors and businesses in Europe, North America and other markets.
